EXPERIENCE

Audiobook Proofreader

2019 – 2021

Tantor Media

Old Saybrook, CT

Listened to audiobooks while following along in the text to make sure the narrators read what was written, pronounced things correctly and consistently, and that there were no audio issues. Made marks in the audio files, on a spreadsheet, and in the text when there were any issues, so they could be sent back to the narrators to re-record and then to editors to fix.

Book Labeler

2019

William B. Meyer Library Relocation Services

Windsor, CT

Assigned RFID tags to a collection of art books.

Bakery Teammate

2018

Price Chopper

Storrs Mansfield, CT

Decorated cakes for customer orders and for the cake case, accurately took cake orders over the phone and in person, kept the cake case, bread wall, floor and freezer full and organized, packaged and labeled baked goods, brought quality issues to the attention of the manager, pulled frozen products and baked them or set them up to be baked in the morning, completed end of day cleaning including the floors, counters, dishes, and taking out the trash and cardboard, and diligently followed instructions and practiced safety measures.

Cat Sitter
